

Sometimes, life just gets in the way. We may have a change in our job, or the kids may have extra school activities, someone in the family may become ill, we may just get extra busy.

Whatever the reason, some Brothers don't manage to go through the three Degrees of Masonry as quickly as they wanted to.

M.:W.: Randall Rogers

That's why Grand Master Rogers has announced the Chance to Advance Program. You can take your remaining Degrees in a single day, along with many other Brethren, with no

memory work and no waiting between Degrees. **You will leave at the end of the day as a Master Mason.**

## What are the Requirements?

You must have taken the Entered Apprentice Degree {First Degree} in an Oklahoma Lodge. You may or may not have taken the Fellowcraft {Second Degree}.

Your Lodge must have approved your participation in the program---the fact you received this letter means that the Lodge has approved it.

You must pay the participation costs and be present on time at one of the two conferral sites.

## *Why should you do it?*

This opportunity is rare; the last time was in 1999.

Being a Master Mason means having friends at your back—people you can trust. That means a lot.

You will be a full member of the same Fraternity of men like Benjamin Franklin, George Washington, Harry Truman, Theodore Roosevelt, John Wayne, Will Rogers, Buzz Aldrin, and Gus Grissom.

Wherever you go in the world, you will find a friend and Brother.

You will make a difference in your own life and the lives of others.
