2023 AWARDS OF EXCELLENCE PROGRAMS

Grand Master's Award
Award of Excellence
Lodge of the Year

A combination of successful programs to
promote and encourage the growth and
development of our Lodges

Revised 11/12/22

The Award of Excellence program is designed to assist and reward Lodges who strive for excellence in their communities and in the fraternal loves of their members.

Combining the benefits and traditions of the Award of Excellence, the Grand Master's Award, and the Lodge of the Year Award, programs are available to help any Lodge, no matter how large or how small, provide a more rewarding experience for its Brethren, to become better known in the community, and build toward a brighter future.

The programs build on each other, but each is different.

THE GRAND MASTER'S AWARD

Is within the reach of every Lodge in Oklahoma and every Lodge can win. Winning Lodges will receive a special certificate at Grand Lodge.

THE AWARD OF EXCELLENCE

Is a little more difficult, and a very small Lodge might find it harder to qualify. It's still worth trying, because of the benefits to the Lodge. Even if the Lodge does not win the Award of Excellence, it can still win the Grand Master's Award. Winning Lodges will receive a special certificate at Grand Lodge.

LODGE OF THE YEAR

The Lodge of the Year Award will be selected from those qualifying for the Award of Excellence. The Lodges are divided by size, and one award is given in each size category. The categories are as follows:

DIVISION I LODGES: 200 or more

DIVISION II LODGES: 101-199

DIVISION III LODGES 51-100

DIVISION IV LODGES 1-50

The award is a large traveling trophy which the Lodge keeps for a year.

GENERAL RULES

This booklet along with any needed documentation and pictures must be completed, certified by your District Deputy Grand Master, and mailed to the Grand Secretary's office by **October 10th, 2023**.

The Grand Master's Award, the Award of Excellence, and the Lodge of the Year Award will be presented at the Grand Lodge Communication. It is important that the Worshipful Master or his representative be there to accept the award.

DOCUMENTATION REQUIREMENTS

Certification by the District Deputy Grand Master is required on every item that the Lodge takes credit for. You may not just check an item completed without any documentation.

Typical documentation includes event photos, newspaper articles, event tickets or posters, copy of DDGM visit, copy of Lodge minutes, copy of approved matching funds, copy of Lodge Committee assignment, name and date of program and speaker, list of any group partnered with, anything that the award committee can use for verification. Remember, the review committee was not there when your activities happened, and the review is months later.

Example:

Checking that you held a community project must be supported by a picture of the event, a copy of the ticket or poster, or a notation in the minutes of the Lodge showing the project with date and lodge brothers who worked.

Awards sent in for grading without documentation will be returned for documentation, until time runs out. This includes all areas. A copy of the DDGM official visit report will cover some areas, such as the Ritual Proficiency. Send a copy with the booklet at completion.

Masonic Charity Foundation matching funds project will qualify for the Award of Excellence Program. Attach a copy of the approval. On community projects, include the ones your Lodge participates in.

You must fill out the Application Form and file it with the Grand Secretary's Office.

You must make a timely arrangement with your DDGM to certify your submission so you can return the completed program by **October 10, 2023.**

**Please cut this page from the booklet and send it in
to register for the program**

MUST BE TURNED IN BY MARCH 11, 2022
