Decision No. 5

District Meeting Attendance

Dear Brethren:

This decision is required to be read at the first Stated Communication of your lodge after receipt.

It has been a great relief to see that the daily COVID19 virus counts have taken a plunge in the right direction over the past month. It has been reported that 1/3 of our Oklahoma population have now received one or both of the COVID-19 vaccinations. Indeed, our State is leading the nation in the percentage of first vaccine doses administered. It is gratifying to journey across the State and hear so many reports of brothers who have already received both vaccines. The safety precautions we have put in place are beginning to see positive results.

It is my sincere hope that we can now begin to move forward a step at a time to return to our normal lodge practices and activities within the next quarter.

Therefore, Pursuant to Section 202A.3, Uniform Code, I hereby authorize Masonic District meetings to be held across the State. Such meetings can be attended with wives or significant others since the total lodge space can be used for seating. Chairs must be set up to meet the social distancing guidelines of 6' in all directions. The number of attendees will be determined by the total number of seats available in the lodge room with social distancing. All other restrictions issued this year by previous Decisions, including restrictions on meals, remain in place until further notice.

Respectfully Submitted,

A handwritten signature in cursive script that reads "Robert G. Davis".
