M. W. Bobby J. Peters**

Most Worshipful Bobby J. Peters and his wife Sandy live in Shawnee, Oklahoma. They have been married 51 years and have two children and five grandchildren. Brother Bob served in the United States Army in Vietnam in 1967-68 as a radio technician in the 57th Transportation Company attached to the 1st Cavalry Division. Prior to his military service, Bob worked for Western Electric Installation Division as a switching equipment installer. He later transferred to Southwestern Bell as a cable installer and fiber optic cable repair technician. Bob retired from AT&T (Southwestern Bell) after 36 years of service in 2002. He and Sandy are members of First United Methodist Church, Seminole, OK.

His Masonic service began in 1989, in Composite Lodge No. 107, Shawnee, where he is a perpetual member. He served that Lodge as Worshipful Master in 1996 and 2000 and has served as Secretary since 2001.

Bob is an "A" Certificate Lecturer, having served the Grand Lodge as District Instructor for District 29 in 2009, Deputy Grand Lecturer since 2011, and as President of the Board of Grand Lecturers in 2015.

Bob has served as a member of the Advisory Board of Shawnee Rainbow #2 and has received the Grand Cross of Color. He has also been a Ritual Advisor of Shawnee DeMolay.

He is also a perpetual member of the India Shrine and a member of the Dune Buggy Unit. Brother Bob is a perpetual member of Tinker Chapter #43 of National Sojourners and a Life Member of the 365 Club.

He co-founded the District 29 Degree Team in 2002 and served as director for over 10 years. In 2013, he received the Oklahoma Masonic Medal of Honor.

Brethren, thank you for the opportunity to serve as your Grand Master for the next year. I believe that there is much to do to ensure that Masonry continues and thrives in 2020, and on into the future. I believe that if we continue to work together for the good of Masonry, our fraternity will once again flourish. One of the most important things we need to remember is that we are Brethren and while we will not all agree on the various matters that may come up in our lodges, we must remember that we are Master Masons and should be willing to live up to our obligations. We should always remember the Golden Tenants of Brotherly Love, Relief, and Truth.

May Peace and Harmony Prevail.

Grand Master,  
Bob

**Decision No. 1**

**Waiving the work lecture in the Entered Apprentice and Fellow Craft Degree by substituting the Perpetual Path Program Educational Videos.**

Dear Brethren,

This decision is required to be read at the first stated meeting of your lodge after receipt.

The Perpetual Path Program is continuing to be a very successful program. By the time you receive this decision we will have raised 126 Brothers to the Sublime Degree of Master Mason in 2019 who are also Perpetual Members of their lodge, which is a requirement of this program. At this time we have several future dates being scheduled over the state.

The educational video's being used for proficiency in the Entered Apprentice and Fellow Craft degree have proven to be an outstanding means of teaching these new Brothers knowledge about each degree and Masonry in general. These videos are restricted for use during Perpetual Path conferrals only.

In order to continue to strengthen Oklahoma Masonry I am issuing the following decision which will permit those who are Entered Apprentices or Fellow Crafts to complete their degree(s) through the Perpetual Path Program provided that they comply with all of the requirements of that program. This decision is in effect during my term of office as Grand Master which commenced on November 9, 2019.

Therefore it is my decision:

Pursuant to Section 202 B.12., I have the authority to waive under Section U 505 the requirement of passing an examination on the Work Lecture in open lodge.

I hereby waive the requirement for turning in the work Lecture (Categorical lecture) in open lodge and substitute the requirement of viewing the Entered Apprentice and Fellow Craft Educational Videos by all Perpetual Path candidates.

Respectively Submitted,

**Christmas: A Time For  
Love and Introspection**

Photo By W.: Bill Howell

The Christmas season is a very special time the world over. It is an annual period celebrated by all the world's great religions. For those of us who are Christians, it celebrates the miraculous birth of our Lord and Savior, who taught humanity the powerful message of love and forgiveness. For our Jewish Brethren, it celebrates the purification of the Temple within which the True Word perpetually lives. For our Muslim Brethren, the Christmas season marks the period when the first portions of the Quran were dictated to the prophet Muhammad by the archangel Gabriel.

In the non-Abrahamic traditions, the Christmas season is the time during which the light and life-giving rays of our sun reaches its lowest point on the horizon for 72 hours prior to the morning of December 25, when it miraculously begins its resurrection-like ascent back into the arching heavens, and sends its golden rays back to our little world, thereby warming the soil in preparation for the coming year's crops and flora. The Greeks and Romans celebrated this remarkable day as the Birthday of the Unconquerable Sun.

In a real sense, then, regardless of our individual faith or creed, Christmas represents Light. And light is profoundly represented in Freemasonry by friendship—the love of our fellows. Cicero said it well: *"Whoever is in possession of a true friend sees the exact counterpart of his soul. True friendship is one in which the moral resemblance between two men is so intimately one that no advantage can attend either which does not equally communicate itself to both."*

What a striking image of friendship! The wisdom of Freemasonry floods us with such images. What is more

poignant to a true brotherhood than the sentiments conveyed in our funeral orations that, in spite of the death of any one of us, friendship will continue to exist among us so long as one Mason remains alive. For our deceased brother's memory still lives in our hearts with the highest veneration; and the most tender regret for his loss. It is this fraternal contract we share together which renders the former happy in death, and the latter honored in life.

Yet, as we so painfully know, when the love which intimately binds us together as brothers is struck out of the human heart of the profane, it is impossible for families, communities, or nations to long survive. The history of the human condition has time and again shown us the tragic consequences of discord and dissension. Again, we must fall back on Cicero's warning: *"What family is so securely established, or what government fixed upon so firm a basis, that it would not be overturned and utterly destroyed were a general spirit of hostility and malice to break forth among its members?"* This is argument enough for the praise and conviction which flows from kind and friendly affections. The brotherhood of man means that "all harmony, and permanence, and fidelity, come from friendship."

Indeed, the Christmas season is a very special time; a time during which all Masons have an ideal opportunity to come together as Brothers and celebrate those blessings which truly unite us, rather than focusing on those things which would otherwise set us apart. For, just as we were all raised at the same altar of brotherhood regardless of the faith we chose for ourselves, so also are we united as a universal brotherhood of men under the Fatherhood of an ever-watchful eye of God.

Therefore, as we enjoy the approach of the most blessed event bestowed upon us each year, let us remember the lessons of charity and giving which every gift-imparting Christmas so thoroughly teaches; that we love one another with brotherly affection, as members of one family, showing honor to one another in the grand design of being happy and communicating happiness.

May you all have a very Merry Christmas season. And may peace and harmony be with you and yours!

**Brethren:**

Another Grand Lodge has been completed, one more year of masonry has been put in the books, and yet another year of masonry lies before us. I would like to take this time to thank you for giving me the opportunity and honor to serve the craft and masonry. To the brothers who made themselves available for Junior Grand Warden, I thank you for offering your time to the service of the craft and masonry. Congratulations to the brothers that were elected to serve. To the craft, THANK YOU for the service and sacrifices made to this fraternity and for helping turn masonry in a new direction.

Through the information gleaned from the Statewide Forums and the feedback received from the reorganized Leadership Schools, masonry has been pointed in a direction for rebuilding and a successful future. One of the concerns discussed at all five Statewide Forums was finances of not only the Grand Lodge but of all the Blue Lodges in this jurisdiction. With that, the trustees went to the drawing board and developed a fundraiser that would bring the whole of masonry together. This gave birth to what has been called the Grand Lodge Fundraiser, which I myself have been guilty of saying when explaining it to you. This is not a Grand Lodge Fundraiser but the **Oklahoma Masonic Fundraiser**.

The fundraiser is designed to benefit all of masonry throughout the state. It is a raffle for a \$65,000.00 MSRP pickup and five (5) - \$5,000 gift cards. The tickets will sell for \$20 each. The lodges that participate will receive \$5 for every ticket their membership sells. The lodges will also be broken down into (3) categories: 1-50 members, 51-100 members, and 101 and above members. The lodge in each category that sells the most tickets will also receive \$5000 for most tickets sold; the lodge that sells the second highest amount of tickets in each category will receive \$2,500; and the lodge that sells the third highest amount of tickets in each category will receive \$1,000. All these awards will be given at the Grand Lodge 2020 session. The rules will be available on the Grand Lodge website and a copy e-mailed to each Lodge Secretary.

My Grandfather once told me "Son, if you want the cow to give milk, you need to feed her." Brothers, it is time we start feeding the cow. I pledge to you that by the Grace of God, I will be available and serve you with the dedication and loyalty that this fraternity deserves. The only thing that I ask of you is the same dedication and loyalty to the fraternity.

Again, I say *Thank You* for your confidence in me to serve as your Senior Grand Warden this year and if there is anything I can do to help you this year to keep us moving forward together, I am only a phone call away.
